

## *Change A Smile – Change A Life*

---

**DENTISTRY REDEFINED**

The way you feel about yourself affects the way you feel about everything else in your life. At the Center for Advanced Dentistry we have almost 30 years of experience in helping people improve their appearance and increase their self confidence and self esteem.

Our unique approach includes a careful and detailed analysis of your current dental and facial profiles. We then use computerized cosmetic imaging to show you how correct balance and proportion can improve your appearance beyond your expectations. Finally, we use the most state-of-the-art techniques and materials to turn that image into natural, classic, timeless beauty.

Experience counts... at The Center for Advanced Dentistry we've created some of the most alluring and enduring smiles in the Hudson valley. Call our office today or visit our website to learn more about cosmetic dentistry and to view actual before and after cases.
